

ABOUT US

Providing art-inspired events for the Belle Vue community and beyond...

Belle Vue Arts Festival is organised and run by volunteers. It is funded through the generosity of local businesses, kind donations and ticket sales. We try to make everything as low cost as possible and **kids almost always go FREE!**

Founded by Judy Townsend in 2003, the festival aims to bring together local artists, residents and community groups. As well as the festival, we run creative workshops and events throughout the year.

We always need volunteers to help at our events. Call or email us for more information.
